UGC Approved

Short Term Programme in Library and Information Science
(13-07-2026 TO 19-07-2026) (Online Mode)

Objectives:

The programme is designed to strengthen the technological, research, and professional competencies of LIS professionals through AI-driven library automation, ICT applications, digital repositories, and emerging technologies. It also promotes digital scholarship, digital humanities, research data management, smart discovery systems, and the integration of Indian Knowledge Systems (IKS) in libraries.

Coverage:

Covers recent trends in LIS including AI-driven library automation and services, ICT applications, digital repositories, and smart library services. Emphasizes research competencies, digital scholarship, metadata analytics, and the promotion of Indian Knowledge Systems (IKS).

Pedagogy:

The programme uses a blended approach with interactive lectures, expert-led online sessions, and participant presentations. Learning is supported through discussions and Q&A, with evaluation based on presentations and a final assessment.
