Dear Sir/Madam,

This is with reference to the letter received from The Ministry of Electronics and Information Technology, Government of India dated 27<sup>th</sup> June, 2022 regarding seven Electronics and ICT Academies set up in the country to address the requirement of training the faculty in the upcoming/emerging areas of Electronics and ICT for Engineering and other streams. 07 Electronics and ICT Academies have been set up by the Ministry at premier academic institutions for this purpose. These Academies are going to deliver 19 Faculty Development Programmes (FDPs) in emerging technologies, out of which, 15 FDPs would be delivered in the online mode and the rest would be available in the Intelligent Self-Paced Education mode.

In this regard, the Ministry of Electronics and Information has requested UGC to instruct the concerned to upload the brochure of 19 FDPs to give a wider publicity and to attract large number of beneficiaries.

You are, therefore, requested to upload the brochure attached herewith on your website to enhance participation and benefit of the targeted beneficiaries.

With regards,
