Announcement
Refresher Course: Library & Information Science (Online)
(DATE: 21/07/2025 TO 03/08/2025)

Objectives: The course is designed to enhance the technical, research, and professional competencies of LIS faculty and library professionals. It facilitates the modernization of libraries and academic programs through integrated physical and digital strategies. Participants are encouraged to extend their services and educational reach beyond conventional library spaces. The program underscores the role of ICT in advancing information access and cultivating research-based expertise in LIS.

Coverage: Updates participants on trends and advancements in Library and Information Science. Enhances skills in digital library services, NEP implementation, and information management. Covers online information retrieval, OERs, and the use of ML and AI in libraries. Promotes collaborative learning and addresses research data management, ethics, academic writing, and research impact.

Pedagogy: The course uses a blended approach with interactive lectures, expert-led online sessions, and participant presentations. Learning is supported through discussions and Q&A, with evaluation based on presentations and a final assessment.

Registration Details: Participants should visit Website: **https://hrdcspu.ac.in/** select the course from apply online, and register for the course.

Who can apply:
